

THE OFFICE OF INFORMATION TECHNOLOGY (OIT)

Who We Are

Welcome to the Office of Information Technology (OIT) at Texas Southern University. OIT has integrated systems throughout the campus to improve IT services, technology adoption, and student success. Essential to this effort has been the centralization of technologies and resources with a clearly defined mission.

This mission has been accomplished by taking a leadership role in university-wide strategic planning for information systems, creating user engagement, and recommending innovative uses of technology to meet the needs of the university. OIT works to enhance the quality and customer experience of information technology services. OIT responsibilities related to technology services fall within the following domains: "Enterprise Engagement, Enterprise Solutions, Enterprise Technology, and Enterprise Applications."

Our Vision

To be an exemplary service-oriented partner of the students, faculty, staff, and the community of Texas Southern University. Our vision is aligned with the Top 5 Priorities of the University: Student Success and Completion, Academic Program Quality and Research, Culture, Partnerships, and Finances.

Our Mission

The mission of the Office of Information Technology is to support the mission of Texas Southern University by delivering technology services, solutions and guidance.
