

MASTER OF PUBLIC ADMINISTRATION (HUMAN RESOURCES CONCENTRATION)

Program Description

The Master of Public Administration (MPA) is a 36-semester credit hour program accredited by the Network of Schools of Public Policy, Affairs, and Administration (NASPAA). The MPA Program's mission is to educate students about public administration's history, competencies, and quantitative skills needed by public administrators to become skilled and productive public and nonprofit employees. To this end, the MPA Program uses its curriculum to prepare students to compete nationally and internationally for professional careers in the public sector or for graduate study where the nature of the profession requires the master's degree as the entry criterion.

The program is designed to prepare professionals to resolve the increasingly complex problems of managing urban growth. It is intended to respond to the increasing importance of planning and management as major instruments in improving and developing solutions to problems of cities and metropolitan regions. The Program seeks to give students a balanced inventory of conceptual, quantitative, and professional skills.

To this end, the Program's curricular philosophy is to:

1. Educate students on analytical approaches to decision-making in the managerial sciences.
2. Provide students with problem solving skills and analytical competencies that are relevant to management positions.
3. Emphasize knowledge of the workings of governmental and non-governmental organizations.
4. Develop the student's ability to make use of academic research.
5. Provide a foundation in computer and information technology.
6. Sharpen writing and oral communication skills.
7. Emphasize knowledge of basic management processes and techniques.

Admission Criteria

The Department seeks highly motivated, high-achieving oriented students who have a strong interest in pursuing a public service career. Prospective students must first apply for admission to the Graduate School. Applicants are then referred to the Barbara Jordan-Mickey Leland School of Public Affairs for acceptance.

2. A typed essay, 250-300 words, which states career objectives and gives reasons for desiring admission to the program;
3. Three (3) letters of recommendation from individuals qualified to give an evaluation of the applicants past scholastic performance,

research, ability for advanced work in public administration (if any), and person motivation;

4. Two (2) copies of official transcripts from each college and graduate institution attended. Applicant's undergraduate cumulative GPA must be at least 2.70 or 3.0 in the final 60 hours; and
5. The MPA program uses Public Administration: Theory and Practice (PAD 500) as a measure of English proficiency. This requires students to earn a grade of B or better in PAD 500. Students that do not earn a grade of B or better, need to take English 501 - Graduate Professional Writing.
