

GENERATION OF STUDENT TRANSCRIPTS

What is an official transcript?

An official transcript is the University's certified document of your academic record. The official transcript includes all levels of study (undergraduate, graduate, and professional). Official transcripts are printed on security paper. Transcripts contain confidential information and are released only in accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA). For your protection, we will not release an official transcript without your signature. (Transcripts may not be re-disclosed without written permission from the student with the exception of a court ordered subpoena.)

Before an official transcript can be released, all admissions requirements, fiscal and financial aid obligations to the university must be met.
