Grades of "C" or better, where grades of "C-" are not acceptable, must be earned in all classes making up the 21 credits. For the online minor in Sport Management students should visit TSU Online for more information.

Degree requirements are summarized below for the B.S. in Health Studies, B.S. in Kinesiology, and B.S. in Sport Management; however, students admitted to the Department who pursue these supporting degrees must seek advisement from their assigned faculty advisor because of the frequency with which certification requirements change as dictated by the State of Texas.

In summary, students who gain admission to the University must meet TSI responsibility, must petition the Department for admission; and must qualify for the Educator Preparation Program if their degree requirements lead to teacher certification. Requirements for the Educator Preparation Program should be reviewed by all interested students. **Additional information may be obtained from the Department Office at (713) 313-7087.**
