

# B.S. IN TRANSDISCIPLINARY EDUCATIONAL STUDIES

Texas Southern University envisions the advancement and attainment of goals for this sector of students by responding to the national and statewide data to re-enroll students from the 36 million current Some College No Degree population, reaching out with tailored programs and policies to meet their needs.

Texas Southern University caters to non-traditional undergraduate and graduate students who have excellent potential to complete a degree but need flexibility, opportunity, and accessibility to various completion options.

The TSU College of Transdisciplinary Studies programs affords students the opportunity to pursue transdisciplinary studies by selecting from a variety of degree programs that target vital local, national, and global workforce opportunities.
